CAPTAIN'S CORNER

I would like to welcome Romano Leicher to Robertson as our new Golf Course Superintendent. He was Superintendent at Stellenbosch GC before accepting the post left vacant by the departure of Johan Horné. Romano has a vast experience of course management and has worked at Hermanus and Arabella courses, as part of the Southern Turf Management Group too. I hope you will enjoy your new venture with us, and that you and your wife, Shannon, will be very happy in our town. Romano and Shannon are also expecting their firstborn in November.

We unfortunately had irrigation problems on the course, due to repairs to the main water supply canal, but luckily all is back to normal now, and there is a big improvement regarding the dry patches. There has also been a major change in tree growth due to the new drip irrigation that has been installed at each tree, and the system is working very effectively. It is with thanks to many members' contributions that has made this possible.

Ons is besig om by die klubhuis klein veranderings aan te bring. Daar is 'n vertrek wat agv die opskorting van die "Sales Office" huur, beskikbaar is vir 'n ander doel. Die vertrek is nou 'n plek waar lede se kinders rustig TV kan kyk of speletjies kan speel, sonder dat hulle op en af deur die kroegarea baljaar. Lede is dus welkom om hulle kinders saam te bring sodat ons die 'familie gevoel' van die klubhuis kan uitbrei en almal dit saam kan geniet. Hierdie vertrek sal ook kon dien as 'n sateliet area vir prysuitdelings van klubkompetisie-gholfdae, wanneer daar ander funksies in die hoof kroegarea plaasvind. Ons sal ook binnekort 'n elektriese deur by die ingang aanbring, sodat die Noordweste wind in die voorportaal ons nie meer so erg pla nie. Hierdie fondse vir die veranderings is gelukkig beskikbaar weens Lotto geld wat ons ontvang het.

We are currently busy with small changes to the clubhouse. There is a room available due to the "Sales Office" having moved into the main office. This room is now available for other purposes. Members can bring their children to this room where they can watch TV or use it as a play area, so that the kids don't run around in the main bar area. Members are therefore very welcome to bring their children to the club so that we can build on the "family feel" of the club and that everyone can enjoy it together. This room will also be used as a satellite area for prize givings during golf days, when the main bar is used for other functions. Very soon we will also be installing an electric door at the main entrance, to prevent the North Westner wind from bothering us so much. The funds for these changes were made available through a Lotto grant.

Daar is verskeie groot gholfdae wat in die volgende weke en maande voorlê, en ek vra weereens vir julle ondersteuning in dié verband.

There are many big golf days in the next few weeks and months and again I ask for your support here as well.

Happy Golfing
Anton
